

Virtual Training Academy

Educate and elevate your leaders through the ALTIUS Virtual Training Academy (VTA)

This online training platform combines the fundamentals of effective management with specific coursework focused on improved healthcare operations. Through the ALTIUS VTA, members are given the knowledge and tools necessary to make a lasting impact. Explore the wealth of information offered from modules including:

- Productivity 101
- Advanced Productivity
- Culture and Accountability
- Goal Setting
- Recruitment and Retention
- Waste
- Change Management
- Becoming the CEO of Your Department
- Becoming the CFO of Your Department
- Becoming the Workforce Leader of Your Department
- Succession Planning
- Driving Transformation

In addition to enhancing personal leadership skills and management strategies, members will also have the opportunity to earn series certificates for the master class coursework completed in the following areas:

- Performance Improvement
- Leadership Development
- Resource Optimization

The ALTIUS VTA compliments any general orientation programs for new managers by providing next-level support and leadership best practices. Integrating the VTA as part of your organization's continued management education will advance fiscal and operational responsibility as well as promote further innovation.

Let the ALTIUS team take your leadership to the peak of performance. Contact us to learn more about the VTA and start realizing the benefits of cutting-edge education today!
